**WALKER ANNOUNCES AVAILABILITY OF MOBILE BENEFITS ISSUANCE VAN
AT VETERANS DAY PARADE**

MILWAUKEE – County Executive Scott Walker announced the availability of the Mobile Benefits Issuance Van (MBIV) at the Veterans Day Parade at a news conference today. The MBIV is an outreach program that will make it easier for veterans, low-income families and individuals to apply for financial and medical assistance. Applications for key Federal and State assistance programs – FoodShare, Title 19 Medicaid, BadgerCare, and the Child Care payment subsidy can be taken in the computer-equipped van.

The MBIV will be located at Veterans Park at the end of the parade route for veterans to get information on services available.
